

Around Town

Jim Pinkham photo

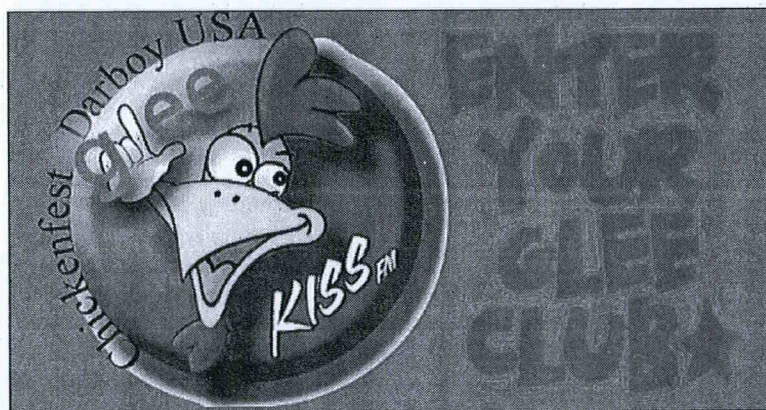

Little Chute firefighters staged a water rescue drill for a couple of hours early Monday evening, complete with fire trucks, ambulances, and the rescue watercraft informally dubbed the "banana boat" within the department. The mock disaster took place on a partially frozen pond off North Street, just east of the high school and Greenfield Apartments. The department has obtained much of its water-rescue gear within the past year, and this was a full-scale effort to practice its use within the village.

Chickenfest to hold GLEE competition

This summer the Darboy Kiwanis Club is sponsoring a GLEE competition event to highlight local youth and their musical talents. The event will be held on Thursday, June 23, and Saturday, June 25, during Chickenfest at Darboy Community Park.

This will be a great chance for young people to get real life experience in designing and performing in front of a live community audience. The top three teams will also have the opportunity to perform on Saturday, between the main stage national artists performances at the 95.9 KISS FM Chickenfest concert.

The top three teams will receive a cash reward for their school music program. The grand prize is \$1,500, 2nd place is \$1,000 and 3rd place is \$500.

The contest is open to groups of 5-10 high school students (including entering freshmen and 2011 graduating seniors) in the 95.9 KISS FM listening area.

For more information visit their website at www.darbofest.org.
